Biography

Born in Cameroon and raised in Cameroon and Switzerland, Karter is a DJ/producer who is at the center of a new era in Amapiano music. The enigma is carving out a brand-new sound that will resonate deeply with audiences across the globe.

Karter makes music that embodies his hopes and dreams. For the talented DJ/Producer, music is an art form that is reflective of his experiences, and by using his gift he can fully express himself and deliver a musical experience that is both unique but also engaging and relatable.

Karter began DJing in 2018 mainly focused on Afrobeats, Hip-Hop, R&B, and Future sounds. The musician had his affinity for diverse genres of music embellished and firmly imprinted by icons such as Barry White, Salt-N-Pepper, Marvin Gaye, Manu Dibango, and Pepe Kale. Other urban influences include Black Coffee for his love for the music, Boddhi Satva for his authenticity, Jazzy Jeff for his longevity and technical skills. Today Karter is an extremely versatile artist who is able to incorporate, integrate and accentuate his music across a plethora of well-known and niche Genres.

Karter is also known as "The Sensei" and has garnered plaudits for his work in the heart of Zurich playing at bars and clubs such as Vior, Plaza, Hiltl, Hardone, and festivals such as Afro Fashion Festival and Afro Summer Jam. A well-established pioneer of Amapiano in Zurich he hopes to put Switzerland and Europe on the map of Amapiano.
