International DJ/Producer Amapiano & Afro-House

A Leading DJ and Producer in the Amapiano Music Scene in Switzerland

Karter is at the forefront of a new era in music, particularly in the unique sound of "AmaPiano," which has gained popularity worldwide.

As a pioneer of this sound in Switzerland, Karter has been invited to headline significant events and has achieved great success in his career. His big break came when he opened the Zimix Festival in 2022 for Diamond Platnumz and Fally Ipupa.

For Karter, music is a form of art that reflects his personal experiences. Through his talents, he fully expresses himself and offers a musical experience that is both one-of-a-kind and authentic to his audience.
